

2012 Boy Scout Summer Camps Provisional Troop 441

Boyhood is such a short period of time. It is a time when boys look anxiously toward manhood. It is a time filled with exciting experiences and adventures. The opportunities offered by Scout camping should not be missed for they mold boys into men. They build character for the future and give us memories of the past that last forever.

Camp Falling Rock

Camp Falling Rock is located 11 miles north of Newark, Ohio off Route 79. More than 600 acres provide a setting of rolling hardwood forests, streams and waterfalls, and scenic meadows. Large rock formations provide a beautiful backdrop to an historic covered bridge that has been photographed by thousands.

Troops camp in spacious campsites with camp-provided wall tents, complete with bunks and mattresses. Campsites also feature latrines, dining flies and picnic tables. A modern Dining Hall provides three tasty meals daily. The swimming pool is inviting on a warm summer day.

Using our flexible program schedule, Scouts can participate in any number of merit badges and exciting camp programs. Being prepared before camp begins will help them make the most of their experience. Our program areas include:

- Handicrafts
- Shooting and Field Sports
- Scoutcraft and Outdoor Skills
- Nature, Ecology and Conservation
- Aquatics and Waterfront
- High Adventure
 - Horsemanship
 - Mountain Biking
 - Climbing/Rappelling
 - Backpacking
- Brownsea Program for new Scouts
- Foxfire Trading Company - French Territory / Appalachian living history
- Counselor-in-Training

Chief Logan Reservation

Often called “the friendliest camp in the country,” Chief Logan Reservation is located about 20 miles southeast of Chillicothe near Ray, Ohio. The camp encompasses 261 acres of remote, Southern Ohio charm. Sproat Lake emerges from the rolling hills and valleys with large, lush meadows.

Chief Logan has a well-equipped Dining Hall, serving meals that are delicious and nutritious. Troops camp in open campsites with camp-provided wall tents, complete with cots and mattresses. Campsites also feature latrines, dining flies and picnic tables. Sproat Lake supports numerous swimming and boating activities.

CLR programs operate on a mostly open and flexible schedule to accommodate your program needs. No Scout is turned away because he is “late” or the session is “full.”

- Brownsea Island Scoutcraft Center
 - Order of the Fork
 - Special Campfires
- Frontiersman Program
- Waterfront
- Shooting Sports
- Nature
- Handicraft
- Special Merit Badge Opportunities
- C.O.P.E - Low Course
- Climbing/Rappelling Tower
- Senior Patrol Leader Program
- Superb Counselor-In-Training
- Off-Site Canoeing

You'll leave Chief Logan knowing that you've made new friends who will be friends forever.

Risk Advisory - Boy Scout Summer Camps

Simon Kenton Council camps have had an excellent health and safety record since the inception and growth of our programs. Summer Camp strives to minimize the risks to participants and advisors by emphasizing proper safety precautions. Most participants in Summer Camp do not experience injuries because they are prepared, are conscious of risks, and take safety precautions. If you decide to attend Summer Camp, you should be physically fit, have proper clothing and equipment, be willing to follow instructions, work as a team with your provisional troop, and take responsibility for your own health and safety. Summer Camp programs and facilities are not risk free, and you should be prepared to listen to safety instructions carefully, follow directions and take appropriate steps to safeguard yourself and others.

Parents, guardians, and potential participants in Summer Camp are advised that journeying to and from Summer Camp, and one's participation in the Summer Camp program, can involve exposure to accident, illness, and/or injury associated with a physically demanding, camp program. Participants may be exposed to occasional severe weather conditions such as lightning, hail, flash floods and heat. Other potential accidents include: injuries from tripping and falling, motor vehicle accidents, shooting sports accidents, asthma and diabetes related accidents, heart attacks, heat exhaustion, drowning, boat collisions, and falls from canoes or boats.

Wild animals are native to natural areas and usually present little danger if proper precautions are taken. Please refer to the Leader's Guide on our web site, speak with previous participants, or call for further information concerning risks and measures that can be taken to avoid accidents.

Simon Kenton Council camps have staff trained in first aid, CPR and accident prevention, and are prepared to assist in recognizing, reacting, and responding to accidents, injuries and illnesses. Medical and search and rescue services are available, however, response times can be affected by location, weather or other emergencies and could be delayed.

Custodial Parent Consent Statement:

I give my permission for my minor children/wards listed below to attend the camp indicated and participate in all phases of the camp program. I have read the camp information, understand the arrangements as stated and agree to cooperate with all regulations. I will not allow my children/wards to attend camp if they have any contagious health conditions or head lice. I have read and understand the Risk Advisory.

I understand the cancellation and refund policy as stated on www.skcbasa.org and agree to abide by this procedure.

I give my permission to allow the Simon Kenton Council, BSA to use any pictures/video taken of my children/wards.

Attached with this registration is the full camp fee.

I understand that a completed and signed BSA medical form is required for my child's Summer Camp participation and that this will be submitted to the camp medical staff during check-in.
