

2012 Boy Scout Summer Camp

Boyhood is such a short period of time. It is a time when boys look anxiously toward manhood. It is a time filled with exciting experiences and adventures. The opportunities offered by Scout camping should not be missed for they mold boys into men. They build character for the future and give us memories of the past that last forever.

Camp Falling Rock

Camp Falling Rock is located 11 miles north of Newark, Ohio off Route 79. More than 600 acres provide a setting of rolling hardwood forests, streams and waterfalls, and scenic meadows. Large rock formations provide a beautiful backdrop to an historic covered bridge that has been photographed by thousands.

Troops camp in spacious campsites with camp-provided wall tents, complete with bunks and mattresses. Campsites also feature latrines, dining flies and picnic tables. A modern Dining Hall provides three tasty meals daily. The swimming pool is inviting on a warm summer day.

Using our flexible program schedule, Scouts can participate in any number of merit badges and exciting camp programs. Being prepared before camp begins will help them make the most of their experience. Our program areas include:

Chief Logan Reservation

Often called “the friendliest camp in the country,” Chief Logan Reservation is located about 20 miles southeast of Chillicothe near Ray, Ohio. The camp encompasses 261 acres of remote, Southern Ohio charm. Sproat Lake emerges from the rolling hills and valleys with large, lush meadows.

Chief Logan has a well-equipped Dining Hall, serving meals that are delicious and nutritious. Troops camp in open campsites with camp-provided wall tents, complete with cots and mattresses. Campsites also feature latrines, dining flies and picnic tables. Sproat Lake supports numerous swimming and boating activities.

CLR programs operate on a mostly open and flexible schedule to accommodate your program needs. No Scout is turned away because he is “late” or the session is “full.”

2012 Boy Scout Camp Reservations

Make your reservation by submitting this reservation form and a \$10 deposit per expected youth (maximum unit deposit of \$200) to the Simon Kenton Council Service Center as soon as possible. This deposit will be applied toward total fees due. After January 1, 2012, this deposit is not refundable if your unit fails to attend camp. Units will receive a confirmation of their reservation after it has been processed.

Please use the size of your unit and the campsite's capacity as your primary factors in selecting a site. We reserve the right to adjust campsite assignments or "double-up" units to ensure the most efficient use of camp for the greatest number of potential campers.
